Animal Footprint Observations

Get tracking!

Document animal tracks and prints that you observe throughout the seasons using this page. Make note of the number of tracks, if you think there may have been several animals, and anything else you notice in the area of the tracks you've spotted. Share your findings with us by emailing: info@valleystewardshipnetwork.org

Draw the tracks you see in these boxes!

Track #1

Date:

Location:

Animal (or your best guess):

Tracks in: snow mud dirt other

Observations:

Track #2

Date:

Location:

Animal (or your best guess):

Tracks in: snow mud dirt other

Observations:
